Half acre with a huge 43' x 37' shop. Tons of parking on this level lot, with large mature trees ensuring privacy. The shop was used to build cabinets, and the house has loads of custom made cabinets through-out. All gutters have leaf-guard systems to prevent needles and leaves from entering the system. One of the upstairs bedrooms was converted into a walk-in pantry, with roll-outs and drawers. There is a natural gas forced-air furnace and a large wood stove. The shop has 3 roll-up doors, concrete floor, a bathroom, and 10 foot high ceilings throughout. This is an awesome location, at the edge of town with endless dirt roads behind and Cultus Lake across the road.
